It's one thing to set a goal in dollars. It's another to set a goal
to save lives. That's our goal. To save the lives of our fathers
and mothers, husbands and wives, sisters and brothers - and
our children.

By supporting our LOVE APPEAL with a gift of \$25, \$50, or
more today, you'll help towards a critical goal.

#Dignity for People Using Opiates

LOVE APPEAL

#DIGNITY - PEOPLE USING OPIATES

Opiate misuse is the leading cause of preventable death - killing on average 400 people in Maine annually. Many Mainers wouldn't die from this disease if we had more money for activism, education, sober housing, and community programs. You're the key to making this a reality. Let's save lives and help these families.

P.S. Life is why we give. To be activists, raise awareness, and help provide our emergency funds to help people who need safe, sober housing and medication.
